

LIST OF EXHIBITS

Exhibit No.	Description	Page No.
3.1	The world Natural Gas Reserves by Region and Countries	15
3.2	World Natural Gas Imports and Exports, 2005	19
3.3	Region wise Natural Gas Production and Consumption, 2006	20
3.4	Primary Energy Demand World	21
3.5	World Natural Gas Consumption by Region, 2004 - 2030	25
3.6	World Natural Gas Consumption by End Use Sector, 2004-2030	25
4.1	Map of Iran	28
4.2	Iran - Primary Energy Demand for 2006	32
4.3	Iran - Gas Supply/Demand 1998 – 2004	35
4.4	Map of Bangladesh	36
4.5	Bangladesh - Primary Energy Demand for 2006	37
4.6	Bangladesh - Gas Supply / Demand 1998 – 2004	39
4.7	Map of China	40
4.8	China – Primary Energy Demand for 2006	43
4.9	China – Gas Supply / Demand 1998 – 2004	46
4.10	Russia – Primary Energy Demand for 2006	49
4.11	Russia – Gas Supply / Demand 1998 – 2004.	51
4.12	Kazakhstan – Primary Energy Demand for 2006	53
4.13	Kazakhstan – Gas Supply / Demand 1998 – 2004	56
4.14	Turkmenistan – Primary Energy Demand for 2006	60
4.15	Turkmenistan – Gas Supply / Demand 1998 – 2004.	63
4.16	Uzbekistan – Primary Energy Demand for 2006	64
4.17	India – Primary Energy Demand for 2006	70
4.18	Pakistan – Primary Energy Mix	74
4.19	Pakistan – Primary Energy Demand for 2006	75
5.1	Pipes / LNG Competition for 10 10 ⁹ m3/ Yr Capacity	87
5.2	Pipes / LNG Competition for 10 10 ⁹ m3/ Yr Capacity	87
5.3	Iran-Pakistan-India Pipeline Route	90
5.4	Illustrative Project Structure	98
5.5	Turkmenistan-Afghanistan-Pakistan-India P/L Route	99
5.6	Bolivia-Brazil Pipeline Arrangement	112
7.1	Map of Afghanistan	128
7.2	Map of Bangladesh	132
7.3	Map of China	138
7.4	Map of India	144
7.5	Map of Iran	150
7.6	Map of Kazakhstan	154
7.7	Map of Myanmar	158

Exhibit No.	Description	Page No.
7.8	Map of Pakistan	162
7.9	Map of Turkmenistan	167
8.1	Major Considerations During All Phases of Route Selection	178
8.2	Schematic of a Long-Distance Gas Transportation System	180
8.3	Schematic Sketch of Pressure Drop Calculation	182
8.4	Z-Value Graph	183
8.5	Pipeline Components	187
8.6	Iran Pakistan India Pipeline	200
8.7	Turkmenistan Afghanistan Pakistan India Pipeline (TAPI)	207
8.8	Turkmenistan Link Pipeline to TAPI from Uzbek border	214
8.9	Kazakhstan Uzbekistan China Pipeline (KaUzChi)	217
8.10	India Bangladesh Myanmar and Myanmar China Pipeline	224
8.11	Proposed Overall AGG Route Map	232
8.12	Software Snapshot- Technical Inputs of IPI (for Alternative-II)	236
8.13	Software Snapshot- Output from Technical Analysis of IPI (for Alternative-II)	237
9.1	Overall Structure for Proposed AGG Pipeline	238
9.2	Proposed Configuration of AGG Ltd	239
9.3	Special Purpose Vehicle	242
9.4	Proposed Financing Structure of AGG	268
10.1	Proposed AGG Network	294
10.2	Project Phases	297
10.3	Asian Energy Charter	303
10.4	Various Functions in AEC	306
10.5	Bolivia-Brazil Pipeline Arrangement	308
10.6	Project Organogram	312
10.7	Flow of Activities in Pre-Project Phase	315
10.8	WBS Weightage and Activities/ Milestones	325
10.9	L1 Schedule of AGG	326
10.10	Structure for AGG Monitoring	330
10.11	Scope of Construction by Each Country	336
10.12	Activities in Pipeline Laying	343
10.13	Construction Team Organization Chart	344
10.14	Classification of Risk	354
12.1	Asian Energy Charter	381
12.2	Structure for AGG Monitoring	383
13.1	Overall AGG Route Map	385
13.2	Global Gas Grid (GGG)	393
