

## ACKNOWLEDGEMENT

Continuous guidance and inspiration from several people in the course of this research work; their unparalleled support provided me a great help. First of all, I thank the Lord Almighty for making this successful journey of five and half year

I would like to thank my supervisor, Prof. R.P. Badoni, who gave me the chance to work with him. During this research work, we had many interesting scientific conversations which helped me to find my own way in the field of heterogeneous catalysis, especially in solid acid catalysis. He helped me to transform my idea to reality, which was only possible with his confidence and freedom that he gave me. His friendly behavior and constant inspiration have always been a source of motivation for me to do something new in the

I am thankful to Dr. Shailey Singhal, Senior Associate Professor & HOD, Deptt. of Chemistry, my Co-supervisor for her meticulous guidance, clear thinking, forbearance and continuous support for research wo

I am highly indebted to Dr. S. J. Chopra (Chancellor, UPES), Dr. Deependra Kumar Jha (Vice Chancellor, UPES), Dr. Shrihari Honwad (Former Vice Chancellor, UPES), Dr. Kamal Bansal (Dean COES, UPES), Dr. J.K. Pandey (Vice President, R&D, UPES) for their continuous encouragement; support and providing all facilities to complete this

I am very thankful to all the faculty members of Deptt. of Chemistry, especially to Dr. Pankaj Kumar Thakur (Former HOD), Dr. Shilpi Agarwal, Dr. K. M. Reddy and Dr. Ravi for providing valuable suggestions.

I am thankful Ms Himani Gusain and Mr. Farmer, Assistant Registrar, UPES had constantly shared work-related information and helped me a lot in completing all Ph.D related formalities successfully at UPES.

I express my sincere thanks to staff members of Chemis Mr. Devendra Singh Rawat, Mr. Tijendra Kumar and Mr. Ajay Singh for their technical support to Mr. C. C. Pant from Physics Laboratory, my thanks for the technical support with the XRD, which turned out to be a very important instrument in Dr. Amit Chawla (Associate Professor, Deptt. of Physics) to facilitate its use.

Dr. Lok Pratap Singh, Principal scientist, CBRI, Roorkee and his research student especially to Mr. Dilsad Ali and Ms. Pratibha Sharma. I am also very Dr. Hemant Tyagi, Senior Manager, IOCL, Panipat, Dr. Shivaker Mishra, Scientist E-I and Dr. Nitin Endlay, Scientist E-I, CPPRI, Saharanpur for providing their scientific contribution, to avail all the required facilities available in their laboratory and their valuable suggestion for my research work.

I would like to thank to my dear friends for great moments of discussion, and fun. In , I would like to thank Ms. Vandana Yadav, Research scholar, Doon University, Dehradun, Dr. Amit Kumar Sharma Research supervisor, Biofuel Laboratory, UPES, Mr Rajan Sharma, Assitant Professor, Khalsa College, Amritsar, Dr Rohit Sharma, Assistant Professor, UIT, Dehradun, Mr. Roop Chand Prajapati, Research scholar, Thapar University, Patiala, Mr. Diwakar Kashyap, Research Scholar, Areal University, Israel, Mr. Mohd. Salim, S.S.A. and Mr. Amitabh Raj Tripathi, Research fellow CPPRI, Mr. Vivek

Pundir, Director, Ambition Institute, Saharanpur, Mr. Sunil Rana, Lupin Pharmaceutical and Mr. Rishabh Khera,

I would like to express my deep sense of gratitude to Professor **Dinesh Kumar Sisodia (HOD, M. S. College, Saharanpur)**, who are the real architects in shaping my earlier career.

Last but not least, I express my deep sense of respect towards my parents, my siblings, all family members and relatives for their love, affection and blessings, which were monumental during this endeavor.

I would like to apologize to those, whose names do not figure here but have helped me during the tenure of my research work.

**(AMIT KUMAR)**
