

List of Figures

Figure 1-1 Oil and gas demand in UAE - Source US Information Admin.....	4
Figure 1-2 Identified losses 51 BOPD by activity	5
Figure 1-3 Production optimization process	7
Figure 1-4 Pressure drop in production	9
Figure 1-5 Well Inflow performance relationship – (Dawe, R. , 2000).....	10
Figure 1-6 Correlation of planned and actual production.....	12
Figure 1-7 The chapters’ structure.....	15
Figure 3-1 Well PDF of unavailable days.....	41
Figure 3-2 Days off production inclusive of operational days	42
Figure 3-3 PDF for fluid production model.....	43
Figure 3-4 Oil water gas ratio in BOPD equivalent.....	44
Figure 3-5 Separated averages of oil, water, gas ratios trends and forecast	44
Figure 3-6 Gas correlation with well-produced fluids (BOPD).....	45
Figure 3-7 PDF for water, gas and oil ratios separation	46
Figure 4-1 Consensus of the questionnaire.....	49
Figure 4-2 Well production trend formula (sample).....	53
Figure 4-3- Sample of production trend in model 2	54
Figure 4-4 Correlation of computed lift curve and actual production-model 1	54
Figure 4-5 Correlation of planned nominal and actual production – model 1	55
Figure 4-6 Correlation well allowable and actual production – model 1	56
Figure 4-7 Calculated lift curve versus actual production-model 2.....	56
Figure 4-8 Nominal allowable versus actual production - model 2.....	57
Figure 4-9 Correlation of simulation model and actual results for validation.....	58
Figure 4-10 Six months forecast with target production of latest actual	59
Figure 4-11 Correlation of simulation results of 14 months forecast	60
Figure 4-12 Correlation for simulated model results of 14 months - new wells	61
Figure 4-13 Correlation model 2 for validation purpose – 1m	62
Figure 4-14 Correlation of target production and simulated results- 12 m.....	62
Figure 4-15 Correlation of target production and simulated results – 24 m.....	63
Figure 4-16 Correlation of target production and simulation results 24 m - new wells ...	64
Figure 5-1 Model 1 field performance decline	67
Figure 5-2 Model 2 field performance decline	69

Figure 5-3 Well 55 theoretical lift curve.....	72
Figure 5-4 Well 55 Inflow performance relationship	73
Figure 5-5 Company test - One well model lift curve versus pressure.....	74
Figure A-1 Production plateau.....	122
Figure A-2 LP graphical method	129
