I would like to express my deepest gratitude to my teacher **Prof. Anil K. Gupta**, from Wadia Institute of Himalayan Geology, for his continuous guidance and support during my research work. His motivation, discussions, critiques and enthusiasm always directed me to work hard and learn *Science*. Without his help, it would have not been possible to generate and interpret such a large data set. I also thank **Dr. J. Deva Raju and Dr. Mandira Agarwal**, my supervisors from University of Petroleum and Energy Studies for their kind guidance and suggestions during the course of my research work.

I also extend my sincere thanks to the **Director, Wadia Institute of Himalayan Geology, Dehradun** for providing me the necessary laboratory facilities and funding from the Institute. This work was also funded by **J C Bose Fellowship** provided to **Prof. Anil K. Gupta** by the Ministry of Earth Sciences, Govt. of India.

I am very thankful to **Dr. Raj Kumar Singh** who gave me the field and laboratory knowledge for working on the speleothem and caves without whom this would have not be possible. I also thank to **Dr. Narendra Kumar Meena** and **Dr. M. Prakasam**, who taught me the techniques of lake coring and helped in raising the sediment core from the Tso Moriri Lake, in difficult weather conditions. I also thank the people of Korzok village, Ladakh, and Meghalaya for their help and hospitality during our field works.

I also thank the senior scientists from the Wadia Institute of Himalayan Geology, **Dr. P. P. Khanna, Dr. P. K. Mukherjee, Dr. A. C. Nanda, Dr. Pradeep**

Srivastava and Dr. Santosh K. Rai and technical staff **Shree Rakesh Kumar and Shree M. M. S. Rawat** for their wishful and warm discussions on the analytical techniques and help in laboratory analysis during the course of my Ph.D. work.

I also thank to all of my friends and colleagues **Anil Kumar, Divya Thakur, Mohit Kumar Puniya, A. Yuvaraja, Aditya Kharya, Manju Negi, Tanuj Shukla, Subhash Rana, Rakesh Kumar, Abhimanyu Yadav, Saurabh Singhal and Sailesh Agarwal** for their help, encouragement and discussions during my research work.

I specially thank to every person in the Wadia Institute of Himalayan Geology and from outside, who withstand by me in the dark phase of my life and always motivated me.

Finally, I express my gratitude to my father **Shree Ranjeet Sharma**, my mother **Mrs. Devi Rani**, my sister **Soniya Sharma** and brothers **Anil Kumar and Sunil Sharma**, for their patience, constant support and encouragement throughout the life including this Ph. D. work.
