

List of Tables

Table number	Title	Page number
2.1	Keywords used for searching various journals and books	10
2.2	List of some of the prominent journals	10
2.3	List of various reports related to LNG	11
2.4	List of various research articles related to LNG markets and prices	22
2.5	List of research articles related to volatility in Energy prices	36
2.6	List of research articles related volatility in shipping freight markets	50
2.7	List of research articles related to volatility in new ship building prices	59
4.1	Types of Pricing Mechanisms	85
5.1	Stationarity test results for Henry Hub and Japanese Crude Cocktail prices	91
5.2	Descriptive Statistics for Henry Hub prices	92
5.3	GARCH (HH) Henry Hub volatility	93
5.4	Descriptive Statistics for Japanese Crude	95
5.5	GARCH(JCC) Japanese Crude Cocktail Volatility	96
5.6	Heteroskedasticity test for Henry Hub prices	97
5.7	Heteroskedasticity test for Japanese Crude Cocktail prices	97
5.8	Autocorrelation for Henry Hub prices	98
5.9	Autocorrelation for Japanese Crude Cocktail prices	98
5.10	EGARCH results for Henry Hub prices	99
5.11	EGARCH results for Japanese Crude Cocktail prices	99
5.12	Stationarity test results for Long Term and Short Term Charter rates	101
5.13	Descriptive Statistics for Long Term Charter rates	102
5.14	Descriptive Statistics for Short Term Charter rates	103
5.15	EGARCH results for Short Term Charter rates	104
5.16	EGARCH results for Long Term Charter rates	105
5.17	Heteroskedasticity test results for Long Term and Short Term Charter rates	106
5.18	Q test results of Long Term and Short Term Charter rates	107
5.19	Unit Root test results of New Ship Building Prices	108
5.20	Descriptive Statistics for New Ship Building prices	109
5.21	GARCH(NSB)- New Ship Building prices volatility	111
5.22	Weighted ARCH LM tests	112

5.23	Weighted Ljung Box test results on standardised residuals and standardised squared residuals	113
5.24	Likelihood and Information criteria	113
5.25	EGARCH results for New Ship Building prices	114
5.26	Likelihood and Information criteria for GARCH and EGARCH	115
5.27	Weighted Ljung Box Test results on standardised results	116
5.28	Weighted Ljung box results on standardised squared residuals	116
5.29	Weighted ARCH LM tests	116
